

# TRAVEL DOCUMENTATION - ALL PORTS

We would like to provide you with the most recent travel documentation requirements.

Proper travel documentation is required at embarkation and throughout the cruise. Even though a guest has completed registration, it is still the responsibility of the guest to bring all required travel documents. Guests should verify with a government authority to determine the travel documents

necessary for each port of call. Any guest without proper documents will not be allowed to board the vessel and no refund of the cruise fare will be issued. The responsible person for each cabin assumes responsibility for advising all guests of proper travel documentation.

## **CRUISE TRAVEL: U.S. Citizens**

GalaxSea Cruises highly recommends all guests travel with a passport valid for at least six months beyond completion of travel. Although a passport is not required for U.S. citizens taking cruises that begin & end in the same U.S. port, travelling with a passport enhances their disembarkation experience, as delays may be expected upon their return to the U.S. if they do not have one. Additionally, passports make it easier for them to fly from the U.S. to a foreign port should they miss their scheduled port of embarkation, or need to fly back to the U.S. for emergency reasons.

The Western Hemisphere Travel Initiative (WHTI) allows U.S. citizens (including children) sailing on cruises that begin and end in the same U.S. port to travel with one of the following WHTI compliant documents:

- Valid U.S. Passport
  - Original or suitable quality copy of a Birth Certificate
  - Certificate of Naturalization
  - Passport Card
  - Enhanced Driver's License (EDL)
  - Trusted Traveler Program Membership Card, e.g., Nexus Card, Sentri Card or Fast Card
- A government-issued photo ID is also required for all guests, including children 16 and over. For more information, a complete list of WHTI-compliant documents or to obtain a passport application, visit [www.travel.state.gov](http://www.travel.state.gov).

## **Sailings from Canada or to Canadian Ports of Call:**

U.S. Citizens require a valid passport or WHTI compliant documents.

## **Europe, Hawaii and Transatlantic Cruises:**

U.S. citizens must have a valid passport.

## **U.S. Alien Residents and Non-U.S. Citizens:**

U.S. Alien Residents require a valid Alien Resident Card and/or passport (depending on itinerary) to travel on all cruises. Non-U.S. citizens require a valid machine readable passport and a valid, unexpired U.S. Multiple Re-entry Visa, if applicable, to travel on cruises. Guests are advised to check with their appropriate government authority to determine the necessary documents, including a Schengen/ or Croatia Visa necessary for European cruises.
